2) His decision re. Category of junior officers to be offered for screening has been waited and not at last a long while ago. The officers are also aware of the decision as it was mentioned more than once at the meetings of the M.C.S. Assn. The S.R.B. has also been informed of it. It is too late to reconsider the question now, even if it is considered necy. There wd. be at least another 40 officers who are in the same position & it wd. be difficult to bring them alin.

Chf Secy) I do agree.
